Our chosen charity for the 2017 Celebration Concert is **MARTIN HOUSE HOSPICE**

"The aim of Martin House is to provide family led care for children with life-limiting conditions. It is a place where children, young people and their families can come to stay from time to time along their journey and find support, rest and practical help. It is a place of love and understanding, a peaceful place but one that can also have a lively, friendly atmosphere full of fun and laughter, where children and their families can enjoy the best quality of life."

Martin House are celebrating their 30th Anniversary and we are pleased to support them in their celebrations, as we celebrate our 40th Anniversary, by supporting them through the generosity of those attending the Celebration Concert.

OUR ADJUDICATORS

ELIZABETH CHILDS is a graduate of the Royal Academy of Music, where she studied flute with Gareth Morris and piano with Graeme Humphrey. Whilst at the RAM she performed regularly with all the orchestras, and was also engaged in many internal and external teaching projects. For Elizabeth teaching her students extends far beyond a lesson each week as she believes in a totally holistic approach. International engagements have taken her to the USA and many parts of Europe, and she has performed extensively throughout the UK as soloist, recitalist and orchestral player. Elizabeth's career started in Bristol but in December 1988 she moved to Scotland in order for her husband to take up a Cathedral Organist position. Elizabeth became principal flute with the Sinfonia of Scotland, Dundee Opera and Dundee and Perth Light Operatic Company which complimented her work alongside a busy teaching schedule.

Elizabeth has a broad and extensive teaching career and is in demand as a flute tutor. She has successfully prepared pupils for scholarships to leading public schools, Junior Conservatoires and Specialist Music Schools and now has many ex-students working in the profession. She regularly directs summer schools and other courses for young wind players. It is a mission of hers to encourage as many children to have the experience of taking part in a British & International Federation Festival as possible of which Liz is currently a Board member. She believes that all children should have the opportunity to learn how to perform as it benefits many areas of a child's education. Elizabeth grew up taking a full and active part in the Hull and Hornsea Music Festivals.

Currently, Elizabeth is engaged in a busy teaching schedule which includes Beechwood Park Preparatory School, the UEA in Norwich as well as many private flute students as part of her Bedfordshire Woodwind Academy of which she is the founder and Director. Elizabeth is in much demand as an Adjudicator both at home and abroad. She also directs two successful Flute Ensembles. Liz is also flautist in Quintessimo which performs regularly and is in demand for functions and concerts. In 2010 Elizabeth undertook some voluntary work with many young flautists in Nairobi which culminated in 2 main concerts in which she also performed as concerto soloist. Elizabeth is also a full member of the ISM, a committee member of the Hitchin Festival of the Arts and the local Bedfordshire Representative for The British Flute Society. Liz has 3 grown up children and in any spare time enjoys cookery and spending time in her lovely garden and greenhouse in a lovely Bedfordshire village at the foot of the Barton Hills.

STEPHEN ROBERTS has combined a career in education with his work as a conductor, musical director and adjudicator. His work in education has included training musicians and actors and has worked extensively with partner schools as part of his past educational responsibilities.

He is currently Music Director and Conductor with Altrincham Choral Society, Chesterfield Philharmonic Choir and Honley Male Voice Choir. Steven has also worked as musical director for a number of theatrical productions, and this diversity reflects his music and drama training. He is also Musical Director for 'COAL', a contemporary dance piece, choreographed by Gary Clarke which is currently touring the UK. He studied piano, brass and voice and has worked in a variety of musical settings.

Steven is an adjudicator member of the British and International Federation of Festivals and is also Chairman of Board of Trustees of the Federation; he is also a member of the Association of British Choral Directors and became a Life Member of the Royal Philharmonic Society in 2014.

MELANIE SPANSWICK is a pianist, author, teacher, composer, and adjudicator. Her popular piano guide book, *So You Want To Play The Piano?* has recently been revised and republished in a second edition by Alfred Music.

A graduate of the Royal College of Music in London, she studied with Patricia Carroll, Tatiana Sarkissova, and John Lill. Whilst at the RCM, Melanie won many prizes including the Marjorie and Arnold Ziff prize for 'the most outstanding postgraduate pianist of the year' and she graduated with a Master's degree in Performance Studies.

Performances include appearances at many of the major UK concert halls; a solo recording for Opera Omnia (recorded at Wigmore Hall) and broadcasts on Classic FM, BBC Radio 2, CBC Radio, Swedish and Spanish Television. Festival appearances have included Cheltenham, Windsor, Southwark, Prussia Cove, Guelph (Ontario, Canada) and the International Liszt Festival in Hamilton (Ontario, Canada).

Melanie has taught the piano at Reading University and the Royal College of Music Junior Department. She has also examined for the Associated Board of the Royal Schools of Music and currently adjudicates for the British and International Federation of Festivals. She regularly writes for various magazines, newspapers and online websites, and has her own blog site, *The Classical Piano and Music Education Blog*; her piano compositions are published by EVC Music Publications and have been included in music festival syllabuses both in the UK and further afield.

Cottingham Methodist Church Musical Festival - Child Protection Policy

The **British and International Federation of Festivals for Music, Dance and Speech** work for amateur festivals everywhere to help create thousands of educational performance opportunities for children and young people each year.

The Federation, and our member Festivals, are committed to ensuring safe environments for children and young people and believe that it is always unacceptable for a child or young person to experience abuse of any kind. We recognise our responsibility to safeguard the welfare of all children and young people, by a commitment to recommend best practice which protects them.

This policy applies to our Board of Trustees, paid staff, Adjudicator members, volunteers, students or anyone working on behalf of the Federation and our member Festivals.

We recognise that:

- the welfare of the child/young person is paramount
- all children, regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity, have the right to equal protection from all types of harm or abuse
- working in partnership with children, young people, their parents, carers and other agencies is essential in promoting young people's welfare.

The purpose of the policy:

- to provide protection for the children and young people who participate in our festivals, including the children of festival members
- to provide staff and volunteers with guidance on procedures they should adopt in the event that they suspect a child or young person may be experiencing, or be at risk of, harm

We will seek to safeguard children and young people by:

- valuing them, listening to and respecting them
- adopting child protection guidelines through procedures and safe working practice for staff and volunteers
- recruiting staff and volunteers safely, ensuring all necessary checks are made
- sharing information about child protection and safe working practice with children, parents, staff and volunteers
- sharing information about concerns with agencies who need to know, and involving parents and children appropriately
- providing effective management for staff and volunteers through supervision, support and training.

The Federation will review this policy each year in November in line with Safe Network guidance or sooner in light of any changes in legislation or guidance. All changes will be communicated to our member Festivals in time for the start of the new Festival year.

Creating Safer Festivals for Everyone

The Federation and its member Festivals use the following policies and procedures to create **Safer Festivals** for everyone:

1. A single, definitive Child Protection Policy adopted by all Federation Festivals.
2. One or more designated Festival Safeguarding Officers (FSO) appointed for each Federation Festival. Name: Jean Cockerline Phone: 01652 661965
3. Best practice advice in the form of **Safe Working Practice** and **Festival Child Protection leaflets**, with support and training for all Festival staff and volunteers. Including clear reporting procedures for anyone with a concern about a child.
4. Appropriate recruitment and induction procedures for all new Festival staff and volunteers responsible for providing safe environments for everyone attending / performing at a Federation Festival.

5. All Festival personnel wear an official Festival badge and will challenge any adults found in restricted or sensitive areas if not accompanying children or vulnerable adults. All teachers/parents/guardians /carers are asked to report all incidents of any nature to anyone wearing a Festival badge. All reported incidents will be handled in accordance with the **Safe Working Practice** and **Festival Child Protection** best practice advice. In addition we will ensure the availability of a quiet area / room where concerns can be expressed in private.
6. For the duration of a Festival all teachers/parents/guardians/carers are responsible for the continuous care and supervision of their own children/pupils. If they are unable to attend personally, they must delegate their responsibilities to an identified adult and ensure that their children/pupils are aware of the identity and name of the person responsible for their care. This includes supervision throughout all Festival venues and practice areas that may be provided. The Festival cannot take responsibility for any property left unattended.
7. No unauthorised photography, audio or video recording of children and young people is allowed at our Festivals. Where parents/guardians/carers do not wish photos to be taken at all, then the responsible adult attending should ensure that their child is not included in official photos.
8. Some children and vulnerable adults may have specific needs in order to take part. If this is the case we ask the responsible teachers/parents/guardians/carers to contact the Festival Secretary prior to arrival. The Festival actively seeks wherever possible to meet these needs, but must know beforehand in order to prepare support – or to advise that help cannot be provided on this occasion.
9. The Festival’s Child Protection Policy and approach to Creating Safer Festivals for Everyone is published explicitly in our Syllabus, Programme and Website. By completing and signing the entry form all parents / guardians / carers and teachers of entrants under 18 (or vulnerable adults of any age) confirm that they give (or have obtained) the necessary consents for the entrants to take part in the Festival. Without consent the entry to the Festival cannot be accepted.
