## Cottingham Methodist Church

Although many of us belong to Cottingham Methodist Church, we are happy to welcome friends from other churches, faiths or none to join us. Sign up sheets will generally be in the church foyer, or email or phone the minister.

While every effort is taken to ensure the safety of everyone involved, children must be accompanied by a responsible adult and participants join in at their own risk.

# Programme of Events 2007/8

---

The intention of 'R U Up 4 It' is to provide events at which people can meet and socialise. To this end we aim to provide a variety of events on different days of the week.

We do not cater for any particular age range, but rather let the type of event determine who would seek to join us on any particular evening.

Each event is organised by a different individual, and for that reason more detail of each event will be advertised nearer the time.

The following is a rough programme for the following year, but please watch notice boards or contact Rev Andy for more details.
